Inform Gather & Gather if the attendance rate significantly drops, we can **donate** uneaten food - but only if it doesn't leave our kitchen.  
We have relationships with lots of **food waste charities** at UCL, discuss with your Event Manager about redistributing your left-over food.

# SUSTAINABILITY

- At UCL we try to be 'Powered by Plants'. This University wide campaign aims to reduce our carbon footprint by switching to 100% vegetarian catering. The meat and dairy industry produces 60% of agriculture's greenhouse gas emissions and it is considered to be the leading cause of species extinction, ocean dead zones, water pollution, habitat destruction and land desertification. Please consider ordering vegetarian catering for your event to honour this pledge.
- Consider asking participants to bring their own container in case there is food left over after the event or ask to order reusable containers from UCL Hospitality which would be yours to keep.
- Ensure that any food waste that occurs (that cannot be redistributed safely) is disposed of in the orange food waste stream - Remove it from its packaging first.
- Support local businesses and reduce food miles by ordering from the London Larder menu or the Two Tribe beers.
- All fish and seafood we serve is rated 'good' or above by the Marine Conservation Society. We do not serve fish that has a high impact on our oceans or environment. This is why you won't find Salmon, Tuna and Prawns on our menu.
- We are so excited to be working with Waste Knot. An incredible amount of perfectly decent fruit and vegetables are wasted every year. Waste Knot came about as a way of getting surplus veg out of farmers' fields and into chefs' kitchens. Their aim is to ensure farmers receive fair value for their produce whilst also helping businesses to enhance their sustainability credentials and providing chefs the opportunity of making great food from seasonal ingredients.
- UCL is a Fairtrade certified university. All the tea, coffee, sugar, chocolate and bananas you are served are Fairtrade accredited as standard.
